

THE GRAND RAPIDS TIMES

Serving Kalamazoo, Muskegon and Battle Creek

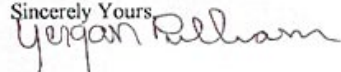

To Whom It May Concern:

I have known Mike Carrier for thirteen years. His company, Eagle Security Systems, protects my corporate offices, my home, and my church. I frequently recommend his services to associates.

He and I have worked on other projects together, including his treasure hunts. I found his contests to be of the highest caliber. As publisher of a local newspaper, The Grand Rapids Times, in the early-mid 1990's I published the clues for his contests weekly. These contests, which were in conjunction with the American Cancer Society, created a lot of activity in this area.

He now publishes his contests over the internet. Were he to localize the contests again, I would be more than willing to participate in the distribution of clues. Mike always runs his contests with the highest level of professionalism and integrity. Without hesitation I would recommend Mike Carrier.

Sincerely Yours
